## ORDER

Re: **People of MI v Alan Edward Reber**

Docket No. **280956**

L.C. No. **07-009642-01**

Brian K. Zahra, Judge, acting under MCR 7.211(E)(2), orders:

The motion to strike appellant's brief is GRANTED. Appellant's brief is STRICKEN because, contrary to the requirements of MCR 7.212(C)(6), its statement of facts lacks citations to the record and includes argument. Furthermore, defendant-appellant has failed to secure the filing of transcripts of pretrial hearings that are the basis of defendant-appellant's arguments on appeal.

Within 14 days after the Clerk's certification of this order, defendant-appellant shall secure the trial court's order for the production of the transcripts of the pretrial hearings and secure the filing of the court reporter's certificate(s) to confirm that the transcript order has been received by the appropriate court reporter(s).

Defendant-appellant shall secure the filing of transcripts of the pretrial hearings and file a replacement brief within 28 days after the transcripts are filed with the trial court clerk. Appellant's brief shall be considered untimely when it is filed.
